

Application 1 :DS1302 display on OLED LCD

Connection DS1302 to arduino UNO:

DS1302 pin	UNO pin
RST	Pin 2
DAT	Pin 3
CLK	Pin 4
GND	GND

Connection OLED to arduino UNO:

OLED pin	UNO
SCL	SCL
SDA	SDA
VCC	3.3V
GND	GND

Instruction :

1. Connect the DS1302 real time clock and OLED to arduino UNO as shown in figure above.
2. If the connection is correct, the OLED will display the time , day and date as shown in figure above.
